This newsletter proudly highlights the achievements of our young ,talented Iconites — whether they excel in sports, showcase their talent in dance and arts, or making a difference through leadership and kindness.

Scholastic Section

At IWS, we are deeply committed to provide a strong academic foundation that nurtures curiosity, critical thinking, and a lifelong love for learning. Our thoughtful designed curriculum is tailored to challenge students, ignite their creativity, and equip them with essential skills needed to thrive in an ever-changing world.

Across all grade levels, students actively engage in a wide range of subjects including Mathematics, Science, language, and Social studies. Our dedicated and innovative teachers employ dynamic teaching strategies to make lessons both interactive and engaging, ensuring that learning is not only effective but also enjoyable.

In addition to regular classroom learning students are encouraged to participate in assessments, projects and presentations that allow them to apply their knowledge in real world context.

Field trip – Grade 1 & 2

The little explorers witnessed how crops are grown, watered, and harvested. They enjoyed observing farmers at work and learned about the tools and techniques used in farming.

🌱🚜 This hands-on experience helped them connect classroom learning with the real world, fostering curiosity, respect, and love for nature and our farmers. 🌻

A Day like a Farmer

Our tiny tots of the Pre-Primary section stepped into the shoes of farmers!

Dressed in traditional attire, they learned about the importance of farmers and how food reaches our plates.

From sowing seed to harvesting crops, the children experienced the joy and hard work that goes into farming.

It was a fun-filled, hands-on learning day that helped them appreciate our Annadatas — the true heroes of our nation!

EXPLORING TOUR ITINERARY

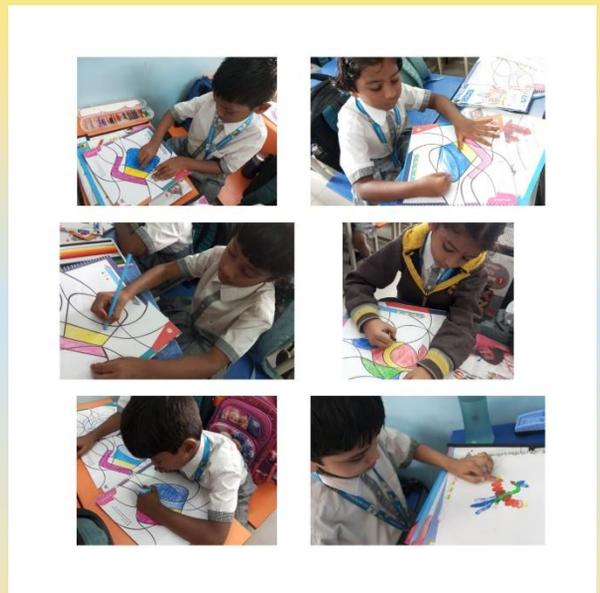

An interactive activity with our curious learners learning about the tour itinerary where they explored the different States and made a tour itineraries.

UNLEASHING CREATIVITY :

STUDENTS SHINE IN ARTS

Our students embarked on a vibrant journey of creativity, exploring various forms of art that not only showcased their technical skills but also their boundless imagination.

Through the artistic endeavors, we nurtured their imagination and artistic potential, empowering them to create masterpieces that reflect their uniqueness.

Teaching Empathy and Compassion.

By Swapna

In the hustle and bustle of today's world, where academic achievements often seem paramount, the importance of nurturing empathy and compassion in our students shines even brighter. At Icon World School, we take on the profound responsibility not only to educate young minds, but also to foster kind and compassionate hearts.

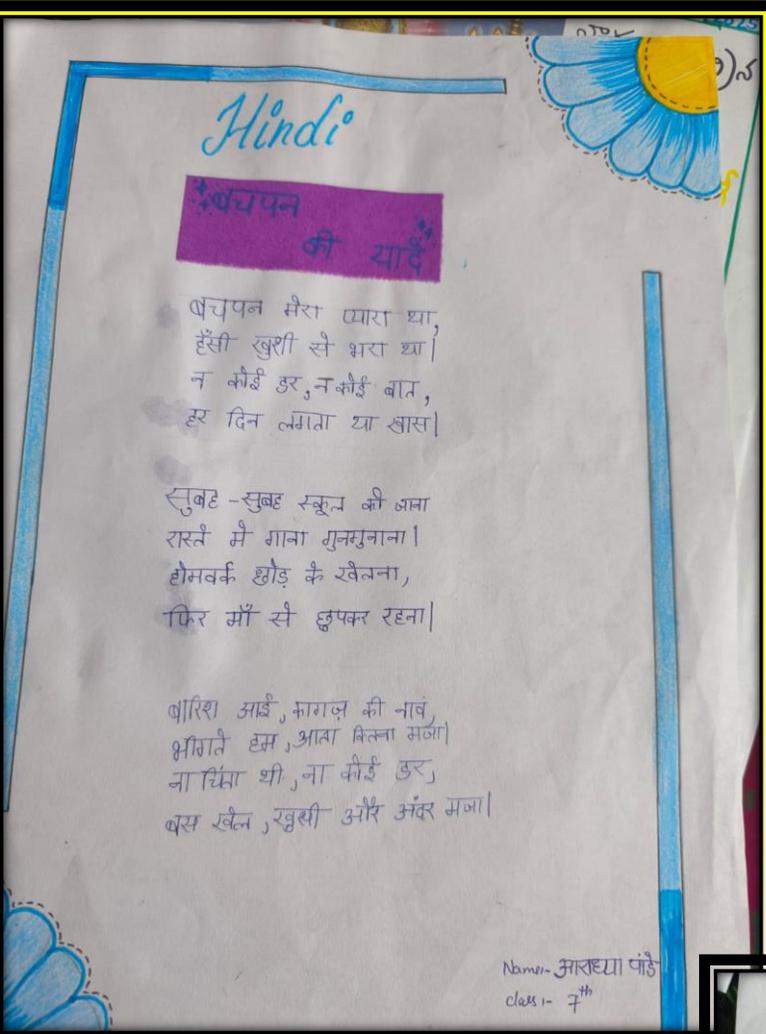

Empathy allows us to connect with the feelings of others, while compassion drives us to respond with kindness and understanding. Together, these qualities lay the groundwork for strong character and meaningful relationships that extend beyond classroom walls.

In my classroom, the journey of teaching empathy begins with modelling it. Children learn by observing our interactions—the way we speak, listen, and respond to each other. When a student feels truly heard and supported, it serves as a powerful lesson in kindness for the entire class. Engaging activities like storytelling, role-playing, and heartfelt discussions about emotions invite students to step into the shoes of others, helping them see the world from diverse perspectives.

Simple acts, such as lending a helping hand to a peer or celebrating our differences, can profoundly impact the atmosphere in our classrooms, making every child feel valued and included. I encourage moments of reflection where students can share how their words and actions affect those around them. Though these conversations may seem small, they play a significant role in nurturing emotional intelligence and fostering genuine human connections.

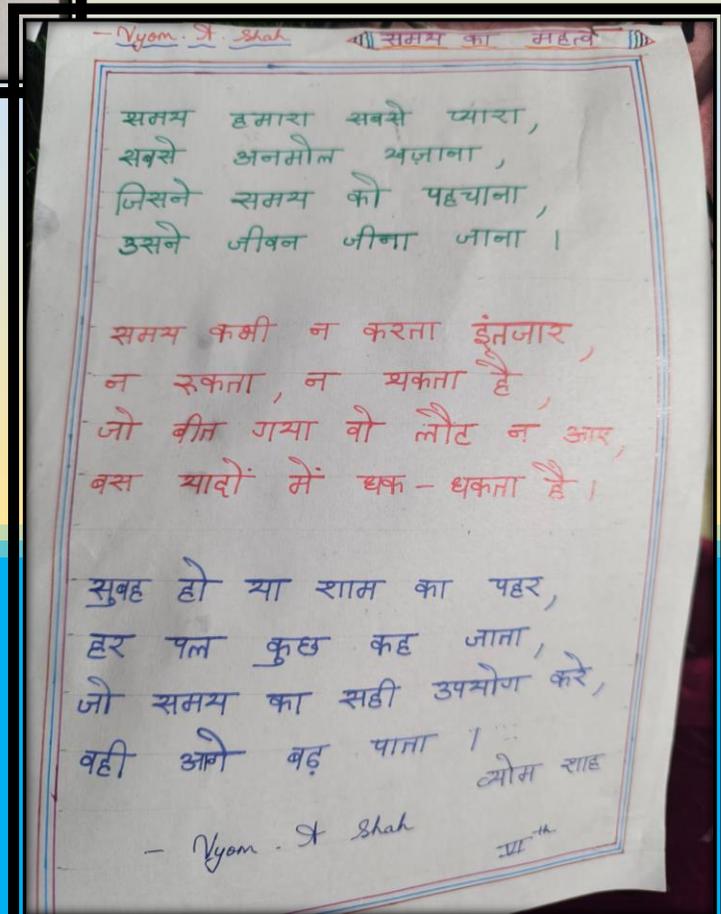

Teaching empathy and compassion is a continuous journey; it is woven into the fabric of our daily learning experiences. When students learn to care for one another, they grow not only as learners but as kind-hearted individuals. This, I believe, embodies the true essence of education that we passionately uphold at Icon World School.

నాకు నచ్చిన పండుగ వినాయక చవితి. దీనినే వినాయక క్రతువు గణపతి పుజ గణేశ చతుర్థి

అని కూడ అంటారు. ఈ పండుగ భూద్రవదయాసం చవితినాడు వస్తుంది. ఆ రోజున ప్రకృతిలో లభించే బహుళ గణాలలో ఉండే నోరోడు, మారోడు, ఉత్తరోణి వంటి ఇతర బక్క రకముల పత్రిలో వినాయకపూజ చేస్తాము. ఈ పూజలో పూలకన్న పత్రికా ఎక్కువ ప్రాధాన్యం ఇవ్వబడింది. కుడుములు, ఉండూళ్ళ నైవేద్యంతో పంటలు, శుభములు, అవిఘ్నములు, బయమును ఇవ్వమని లంబాధకుణ్ణి పూజిస్తాముట్టిలో మనుగడనిచ్చేడి మట్టి.

ధన్యవాదములు. Thank you

భారతదేశం గొప్పదనం

మన భారతదేశం విశాలమయినది ఉత్తరాన హిమాలయాలు, మిగిలిన దిక్కుకెల్ల సముద్రాలు, మన దేశానికి సహజ రక్షణను ఇస్తున్నాయి. ప్రపంచంలో చైనా తర్వాత జనాభా సంఖ్యలో మనదే రెండవ స్థానం.

మన దేశంలో మతాలు - భాషలు వారణాసి ప్రజలంతా ఒకటై నిలుస్తారు. మనకు గంగా, గోదావరి వంటి జీవనదులు ఉన్నాయి. కావలసిన పంటలు పయలతాయి. మనది ప్రజాస్వామ్యదేశము.

మన దేశంలో భారతము రామాయణము వంటి గొప్ప ఇతిహాసాలు పుట్టాయి.

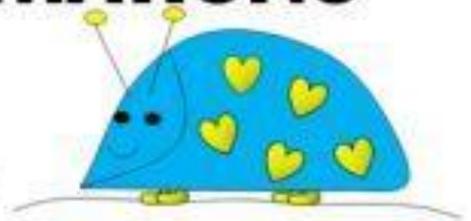

మనం క్రికెట్లో ప్రపంచ కప్పు గెలిచాము. గాంధీ, నెహ్రూ, ఇందిరాగాంధీ వంటి గొప్ప నాయకులు మనకు ఉన్నారు. దేశాభివృద్ధికి కావలసిన సహజ మరులు ఉన్నాయి.
